

From Idea to Implementation

CNSA Research Workshop 12th May 2016

Acknowledgement *of* Traditional Owners

In keeping with the spirit of Reconciliation, I acknowledge the Turrbal, Jagera/Yuggera, Kabi Kabi and Jinibara Peoples as the Traditional Owners of the lands where QUT now stands – and recognise that these have always been places of teaching and learning.

I wish to pay respect to their Elders – past, present and emerging – and acknowledge the important role Aboriginal and Torres Strait Islander people continue to play within the QUT community.

Brainstorm

1. What are the main areas you would like to improve?
2. Why do they need improvement?
3. Why are they important?
